AGENDA TITLE: Adopt Resolution Approving a Second One-Year Extension of the 2005/06

Annual Curb, Gutter and Sidewalk Replacement Contract with Jeff Case

Construction Company, of Lodi, for the 2007/08 Fiscal Year with a

Three Percent Increase (\$73,336)

MEETING DATE: June 6,2007

PREPARED B Y Public Works Director

RECOMMENDED ACTION: Adopt a resolution approving a second one-year extension of the

2005/06 annual curb, gutter and sidewalk replacement contract with Jeff Case Construction Company for the 2007/08 fiscal year, with a

three percent increase, at a cost of \$73,336.

BACKGROUND INFORMATION: The annual curb, gutter and sidewalk replacement contract is

administered by the Street Division. This contract is for replacement

of miscellaneous concrete work as guided by the sidewalk replacement program and sidewalk inventory. Jeff Case

Construction Company is the provider currently under contract. Section 6-04.03 of the contract allows that "by mutual agreement, the City and Contractor may enter into an agreement for an annual extension of this contract based upon the same terms and conditions set forth herein." Jeff Case Construction Company agreed to honor the prices from the 2005/06 contact with a 3% increase (cost sheet attached) to cover increased costs of materials and fuel for the 2006/07 fiscal year. Once again, Jeff Case Construction has agreed to honor the original bid from 2005/06 with another 3% increase. Staff feels this increase is more than justified due to the increased cost for fuel and concrete. All miscellaneous concrete bids in past years have been very close in cost, and Jeff Case Construction Company has provided excellent service and a very good product.

FISCAL IMPACT: The extent of actual work done will be tied to the level of funds available

after the beginning of the 2007/08 fiscal year.

FUNDING AVAILABLE: Funding for this contract will be coming from various funds as approved in

the budget for sidewalk work. This contract is also utilized for public sidewalk work done on behalf of property owners for which the City is

reimbursed.
